

Singleton Strikers Football Club

MEDIA RELEASE – 2nd February 2015

Singleton Strikers Football Club is born

A long held ambition to merge the Singleton Senior Soccer Club and the Singleton Junior Soccer Club has come to fruition with the amalgamation into the Singleton Strikers Football Club becoming official just before Christmas.

A spokesperson for the Club said, "It is a great move forward for football in Singleton, and is something we have been keen on for a number of years now.

The movement gathered momentum earlier this year and a number of meetings were held between the senior & junior clubs to work out the details and the executive of both Clubs have now agreed on structure, finances, and governance, and a special resolution was put to both sets of members. The voting was unanimous.

There are many advantages for both Clubs in becoming one club in terms of sharing resources, in terms of removal of duplication of volunteer roles, in terms of meeting NNSWF and HVFA Club criteria.....all those off-the-field sort of things. But crucially, it provides a clear pathway for young boys and girls to move from junior to senior football in Singleton. At the end of the day, both our Clubs existed because there are boys and girls who want to play soccer. As these players approach their older teenage years, they are often lost to the sport altogether.....now they have a clearly defined path so they can continue to play the game we all love."

So how will it work? Both Clubs in their current forms have been dissolved, and a new Club.....Singleton Strikers Football Club.....has been formed with the purpose of fostering the sport of football in Singleton and surrounding areas.

The incumbent President, Secretary & Treasurer of both clubs will form the first executive of the newly formed Club.

Senior and Junior sub committees will be formed to continue the day to day running of the club in much the same way as it is now, including the handling of their own finances.

A new season is upon us.....a new combined Club.....a new name.....a new logo.....it is exciting times for football in Singleton.
