## **Singleton Storm announce new coach**

The Slater and Gordon sponsored Singleton Storm Ladies All-Age soccer team have announced a new coach for season 2015.

Brett Nichols has been appointed after former long term coach Kevin Wandel stood down at the end of a successful 2014 season.

Kevin will still be involved in an assistant capacity, but Brett is very keen to continue the Storm's recent run of success.

"The Women's All-Age team has been the most successful of all the Club's teams over the last few years, and that is a credit to Kevin and the girls. I hope to be able to continue that run in 2015 and beyond" Nichols said.

He added, "Our season kicks off on 19th April, and we have the makings of a competitive team. We have been training for a few weeks now, and things are starting to take shape."

There are still a few positions available in the squad for any girl wishing to play soccer this year, particularly if any girls are interested in being a goal keeper. You can register your interest with Brett Nichols on 0438 235584, and training is on Tuesday at 6pm at Victoria Square.
